MASTER ACCOUNT REVIEW

Before departing, the Group's CSM will assist the Meeting Planner in arranging a review of the Master Account with the Group's Hotel Billing Representative.

CASH ADVANCES

Groups are eligible for cash advances only when Group sends funds in advance regardless of credit approval status or has been approved for credit. Please see your CSM in advance regarding specific requirements for cash advance payouts.

Hotel is subject to State and Federal currency reporting and handling laws and as such will file a Currency Transaction Report (CTR) for cash advances of over \$10,000.00 USD. CTR will be reported to the Nevada Gaming Control Board, U.S. Treasury and IRS.

CHARITABLE ORGANIZATIONS

For the Hotel to waive Nevada State Sales Tax, Group must be incorporated as a 501c3 Organization and present a current and valid State of Nevada Tax Exemption Letter. Due to Nevada Revised Statutes under the oversight of the Nevada Gaming Control Board, there are strict policies determining how these types of events are defined and must be conducted. Prior to developing events, please ensure you advise your CSM as Hotel may need to get approvals from our compliance team before proceeding. Some types of charitable events that would require approvals would be silent auctions, raffles, bingo and gaming tournaments.

ADA COMPLIANCE

The Hotel, to the best of its knowledge, complies with the public accommodations requirements of the Americans with Disabilities Act (ADA) and the Hearing Capacity Act of 1988 and the regulations and guidelines. Hotel expects that the Group, its agents, contractors and employees, and their functions within the Hotel also comply with the above referenced laws. Group will make necessary efforts to identify any special needs of its disabled attendees, employees or guests and communicate these needs to the Hotel as soon as they are known.

PERSONAL MOBILITY DEVICES

Motorized wheelchairs, Segways, scooters or any other personal mobility device is prohibited inside of the Hotel unless the operator represents that the equipment is a mobility assistance device for a disability condition.

SERVICE ANIMALS

The ADA defines a service animal as any guide dog, signal dog, or other animal individually trained to provide assistance to an individual with a disability. If they meet this definition, animals are considered service animals under the ADA, regardless of whether they have been licensed or certified by a state or local government. The care or supervision of a service animal is solely the responsibility of his or her owner. Resorts World Las Vegas is not required to provide care, food, or a special location for the animal. Resorts World Las Vegas may exclude any animal, including a service animal, from our property when the animal's behavior poses a direct threat to the health or safety of others. For example, any service animal that displays vicious behavior towards other guests or customers may be excluded. We may not make assumptions, however, about how a particular animal is likely to behave based on our past experience with other animals. Although we may exclude any service animal that is out of control, we should give the individual with a disability who uses the service animal the option of continuing to enjoy our property and services without having the service animal on the premises. There may be a few circumstances when we are not required to accommodate a service animal - that is, when doing so would result in a fundamental alteration to the nature of the business. Generally, this is not likely to occur on our property, but when it does (for example, when a dog barks during a performance), the animal can be excluded.

EVENT PLANNER PROGRAM - GLOBAL

Only the individual stipulated in the contract is eligible to receive Event Planner Bonus Points on eligible charges associated with the event. The individual that signs the contract does not need to be the individual that receives the Event Planner Bonus Points. Event Planner Bonus Points must be included in the event contract.

The Event Planner Bonus Point recipient does not need to be a registered guest or attend the meeting. The Event Planner Bonus Point recipient must be a Member of Hilton Honors to receive Points in connection with the event.

The Hilton Honors Event Planner program is available to any Hilton Honors member, including, but not limited to, individuals, professional meeting and event planners, individuals booking events on behalf of their employer (including B2B Pooled Accounts), tour operators, and travel agents/travel sellers/conference planners that book a qualifying event. Hilton employees and/or hotel team members are not eligible to accrue Points when contracting business on behalf of Hilton at any property within the Hilton portfolio.

Members will earn 1 Hilton Honors Bonus Point per \$1 USD spent on eligible charges for qualifying events. Points awarded will be based on local currency converted to U.S. dollars. Local currency will be converted to U.S. dollars on the day final payment is received for the event using a published rate of exchange in effect at time of conversion. This rate will be determined at Hilton Honors' sole discretion, based on standard currency conversion methods.

A qualifying event may include, but is not limited to, a group or business meeting, conference, room block, wedding reception, family reunion or other event contracted through the sales or catering department and sold at published rates. Offer is valid for new event bookings only.

Eligible charges include event-related spending listed in the contract and paid for by the individual named in the contract (such as meeting room rentals, guest rooms, catering, audio/visual, etc.) and excludes taxes, service charges, rebates and commissions. Event Planner Bonus Points must be awarded for meeting room and guest room charges; eligibility of all other charges is at the sole discretion of the hotel. In the case where room rental/room hire is included as part of a per person meeting package, awarding points on a portion of the package is at the discretion of the hotel.

If guest rooms are included in the contract, Members who reserve and pay for rooms under their own account are also eligible to earn Points for stays in accordance with Hilton Honors Terms and Conditions. If guest rooms are included in the contract and charged to a master bill (where charges for multiple rooms are placed on one hotel bill and billed to a company or common address or settled at check-out by one individual), Members are not eligible to earn Points. Incidental charges (those charged to a Member's room) paid for directly by the Member at check-out are eligible for Point credit. Incidental charges billed to a master bill are not eligible for Point credit.

Event Planner Bonus Points can be awarded on charges up to \$100,000 USD. There is no maximum on the number of Points that can be awarded per event. Please allow 6-8 weeks after the event has been paid for in full, for posting of Points to Member's account.

The Hilton Honors Event Planner program is available globally at participating hotels in the Hilton portfolio. If a Member requests Hilton Honors Event Planner Points from one of these hotels for a qualifying event, the hotel must award them.

No Hilton Honors Points will be awarded for "no show" or cancelled events when a Member has booked an event guaranteed with a credit card but then does not hold the event--irrespective of whether or not the Member's credit card is charged for any portion of the event per the hotel's "no show" or cancellation policy.

Hilton Honors membership, earning of Points, and redemption of Points are subject to Hilton Honors Terms and Conditions. Event Planner earnings are void where prohibited or restricted by local law. Hilton Honors Event Credits are vouchers that can be obtained by redeeming Hilton Honors Points, and can be used as a credit against future bookings. Event Credit vouchers may be redeemed at any hotel in the Hilton Portfolio, even if the hotel is not an Event Planner program participating hotel. Event Credit vouchers are available in the following increments:

25,000 Points = \$50 USD
50,000 Points = \$100 USD
75,000 Points = \$150 USD
125,000 Points = \$250 USD
250,000 Points = \$500 USD

Members can redeem Points for Event Credits by calling the nearest [Hilton Reservations and Customer Care](#) office. The Event Credit voucher for the corresponding amount will then be sent to the Member via email. The Member will then present the voucher to the hotel at time of payment to receive the corresponding discount (US \$50, \$100, \$150, \$250 or \$500).

For currencies other than US Dollars, conversion will be based on the prevailing month-end exchange rate on the day the final bill is created for the event. Conversion rates can be obtained from the hotel's finance department.

Multiple vouchers may be redeemed at the same time.
Vouchers will expire one year from the date of issuance.
If the total bill is less than the value of the Event Credits, Member will forfeit any remaining value.
